#### **Issues of general interest to the group**

Healthwatch Shropshire is planning to appoint four new staff members in the next month.

They are significantly further ahead than Healthwatch Telford in being a fully formed and functioning body.

They are planning 8 meetings during the year which will be held all around the county, which will be well advertised and will promote local attendance with a view to gaining local views.

Two members of staff, working 3 days each will split to cover North & South- they will work with local community champions.

One of their functions is to **enter and view**, this could be a hospital ward, a care home, dentist or even GP surgery. They are **keen to recruit** more people from Shropshire to help with this role. If you are interested in volunteering and would like to know more please email [enquiries@healthwatchshropshire.co.uk](mailto:enquiries@healthwatchshropshire.co.uk) or phone 01743 237884

This is the Shropshire Healthwatch, enter and view also happens in the Telford & Wrekin area, but you would need to contact the Telford healthwatch which appears to only have one member of staff at the moment.

#### **Issues of concern None**
