

## Healthy Eating Workshop Feedback

Did you find the workshop useful?

Would you recommend the workshop?

Venue

What could we have done better?

Did we miss anything?

Any other comments?

Would you be interested in attending any other workshops?

Please list any that would be of interest.

It would help if we knew a little bit about you, please fill in only what you are comfortable sharing with us.

Are you a cancer survivor?

A carer or relative of a cancer survivor?

Other (please state)

If a cancer survivor what stage of treatment would you describe yourself as being at-

Would it have been useful to have this workshop at a different stage in your cancer experience, if so at what stage would you have liked this to have been available.
